## - GENERAL INFORMATION -

**TECHNICAL DATA**

This product is supplied with an integrated LED light source of energy efficiency class E. The expected lifespan of the LED light source is 25,000 hours, which equates to 8-10 years of general use. When the light source reaches its end of life, it can be replaced by an electrician or a similar qualified person; please contact HAY for more information.

**FITTING TYPE | Integrated LED**

**POWER (W) | 4.9W**

**COLOUR TEMPERATURE | 3100K**

**Cool white**

**ATTENTION**

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance. The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged, the luminaire should be replaced. This lamp is designed for indoor use only.

**CARE AND MAINTENANCE**

The product can be cleaned with a soft damp cloth and mild detergent, or a dry microfibre cloth. Do not use alcohol or any other solvents to clean the product and avoid using abrasive or rough sponges. Ensure that the power supply has been turned OFF before cleaning the product.
