Please follow steps 1 to 4 to assemble the product.

Step 1 / 4

Ensure power supply is turned off and remove any existing lamp fitting.

Locate the supply cable and ensure it is ready to be fitted to the connector block.

Mount the metal bracket securely in the ceiling with screws and wall plugs, appropriate for the ceiling of installation.

Step 2 / 4

To determine the right suspension height for the lamp, pass the electrical cord through the strain relief of the metal bracket. When you have the desired suspension height of the lamp, tighten the plastic screw of the strain relief.

Step 3 / 4

Use the connection box (C) to assemble the wires from the pendant with the wires from the power supply. Close the connection box and place it inside the canopy.

Step 4 / 4

Install the light bulb.
