ATTENTION

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

As ceiling materials vary, screws for ceiling fixation are not included. For advice on a suitable screw system for your ceiling, contact your local specialised dealer. Ceiling fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage.

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard.

This lamp is designed for indoor use only.

- The Compass Adjustable Pendant is designed to be used with LED based light sources only.
- Halogen or incandescent light sources should never be used, as they may cause damage to the lamp.
