

# MINGLE CUSHION

**THOMAS BENTZEN ON THE DESIGN** “My idea was to create a series of cushions based on the simple intertwinement of color and textile. The process was equally straightforward and complex. It turned out to be an exciting journey through the world of color and texture and in the end we found a combination where the two mingle well and complement each other. The Mingle family, being a very inclusive group, also love to mingle on your sofa.”
