STORYTELLING

GLOBE FLOWERPOT / BYAYTM DESIGN TEAM

A popular design has been renewed and expanded. GLOBE is now available as a flower pot, suitable for both indoor and outdoor use. Whether you choose the combination with shiny brass rings, the colorful matte surface or the shiny silver, they all provide a unique and playful expression. The colors look great individually, but they are even better together, as the tones perfectly complement each other.

The different sizes opt for many different plants that can either stand up from the pot or hang down for a more dramatic effect. The pots can be used both indoors and outdoors. Available in different colours and sizes.
