Jacob Jensen

Coffee Press w/ CoffeeCatcher™

The Jacob Jensen Coffee Press with CoffeeCatcher™ makes your daily coffee routine simpler. As the coffee grounds form a puck at the bottom of the Coffee Press, you can easily pull out the CoffeeCatcher™, ensuring the used grounds are effortlessly removed, leaving the Coffee Press clean and ready for your next brew. The double-walled body keeps your coffee at the perfect temperature. The Coffee Press serves from 6 to 8 cups.
