

**SLAMP®**  
THE LEADING LIGHT

## *Aria Transparent*

---

design by Zaha Hadid

Zaha Hadid's dynamic and visionary architecture results in a volume that is apparently dematerialised, where illumination and lightness blend, defining natural design, becoming almost aquatic. 50 transparent surfaces, encountering LED lights positioned on their axis, take on a texture and enlighten the space with a vibrant atmosphere.

---

SIZE: Ø 50 x h 75 cm (LED 38W) / Ø 60 x h 90 cm (LED 38W) / Ø 70 x h 115 cm (LED 76W)

COLOUR: transparent

MATERIALS: Cristalflex®, Lentiflex®
