

Plum Tongs

An unusually sculptural pair of copper plated tongs, essential pairing to our Plum champagne and ice buckets. Designed in London.

Process	Copper plated stainless steel tongs that are pressed and welded to form the ergonomic hand grips.
Year of Design	2014
Material	Stainless steel with copper plating
Product Code	PMTN01
Colour	● Copper
Cleaning Instructions	Not dish-washer safe. Surface patina will appear over time due to nature of the material. Do not use abrasive agents as this will damage the surface. Wash in warm soapy water and dry with a soft cloth.
