PYL FLOOR LAMP

DESIGNER: MARIE & ALEXANDRE	YEAR: 2025
2 YEARS WARRANTY — 5 YEARS FOR EUROPE	MATERIAL: STEEL, GLASS

The PYL floor lamp is part of a collection of lighting made from 100% polished and painted steel tubes, combined with cones that are the signature of the collection. The PYL detail is the moulded and pressed glass that diffuses the light and plays with the pattern, designed by Marie & Alexandre. The range of colours of the floor lamp draws its inspiration from Italian design of the last century, with bright yellow and chilli red. The result is a choreographed narrative of multiple typologies: shapes, materials and colours.
