

- INSTRUCTION MANUAL -

LOOP STAND TABLE

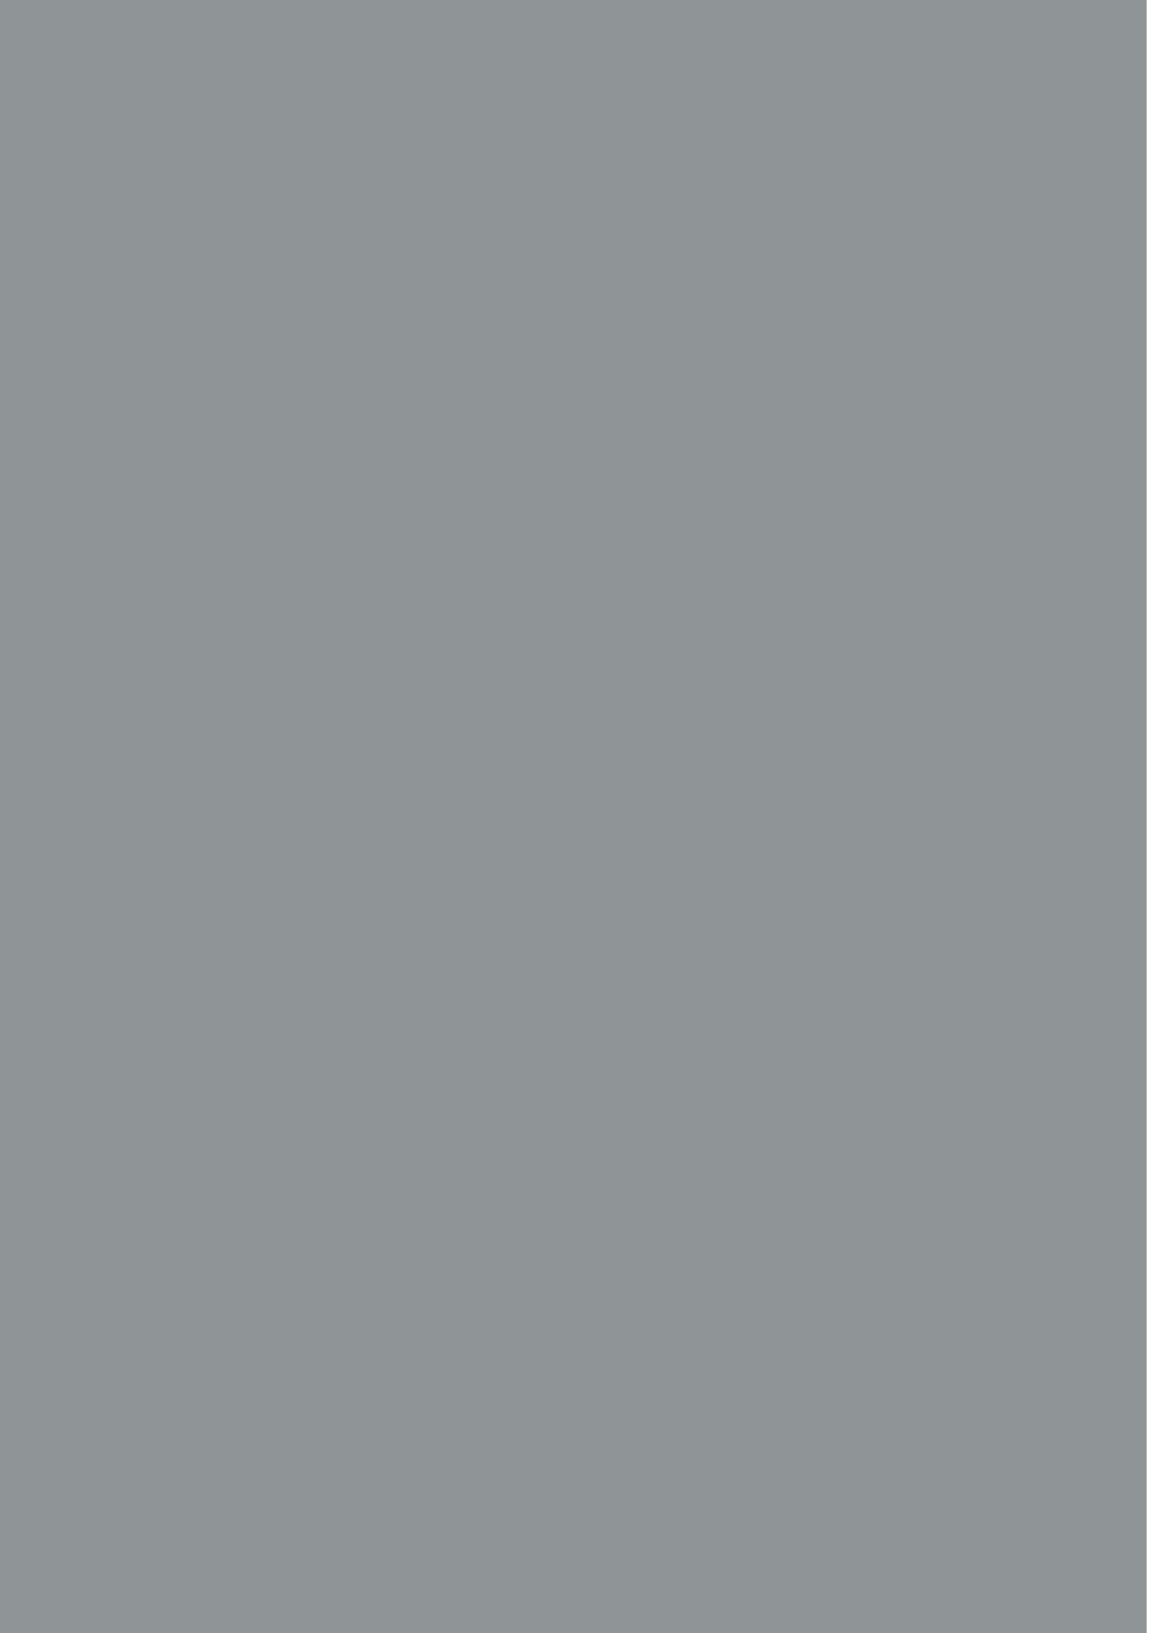

L160 / 180 / 200 CM

Loop Stand Support

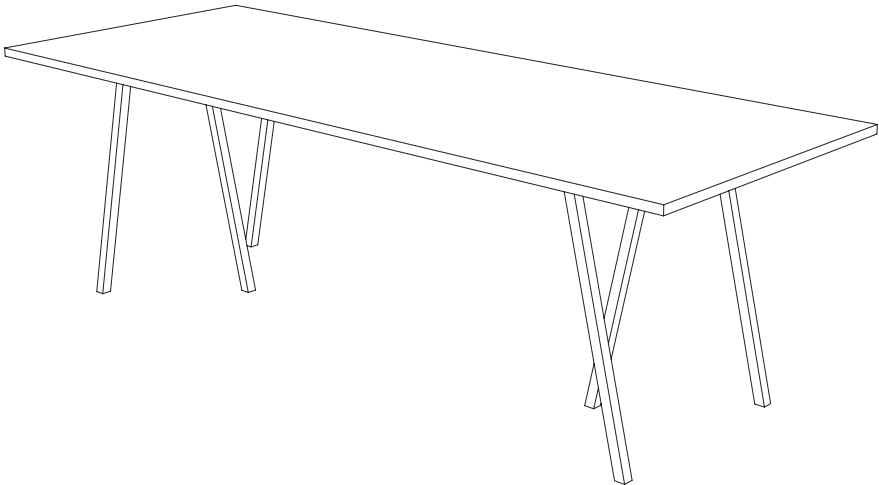

DESIGN BY LEIF JØRGENSEN

HAY

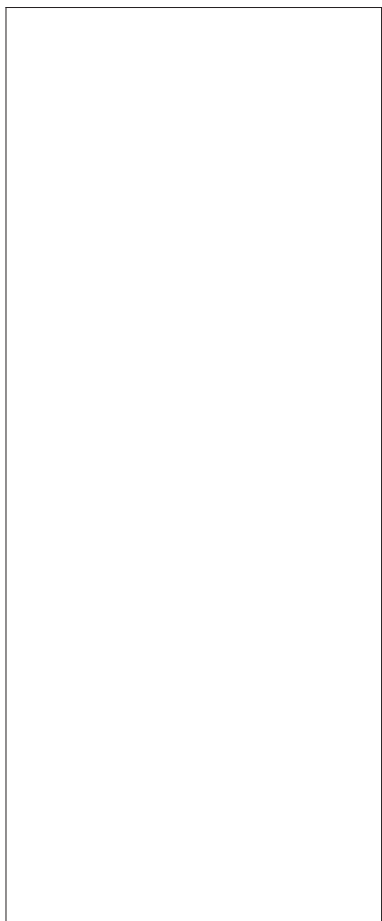

L160 / 180 / 200 CM

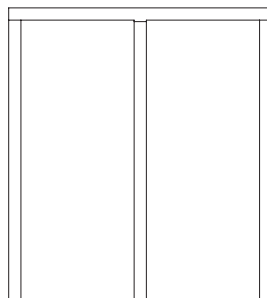

NOTICE

If the table will be assembled
with support frame, follow the
instruction manual attached to
the support frame.

- PARTS -

A Tabletop x1

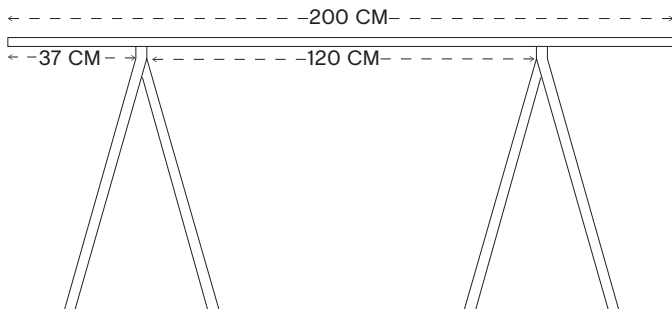

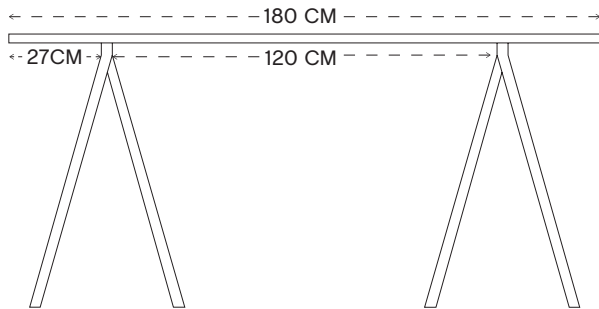

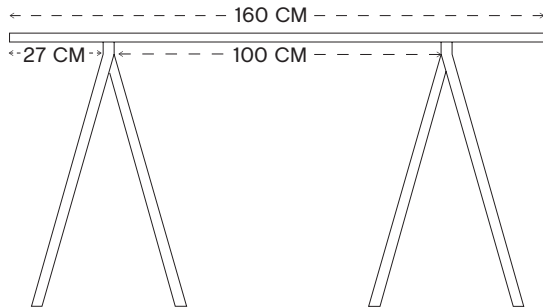

B Trestle x2

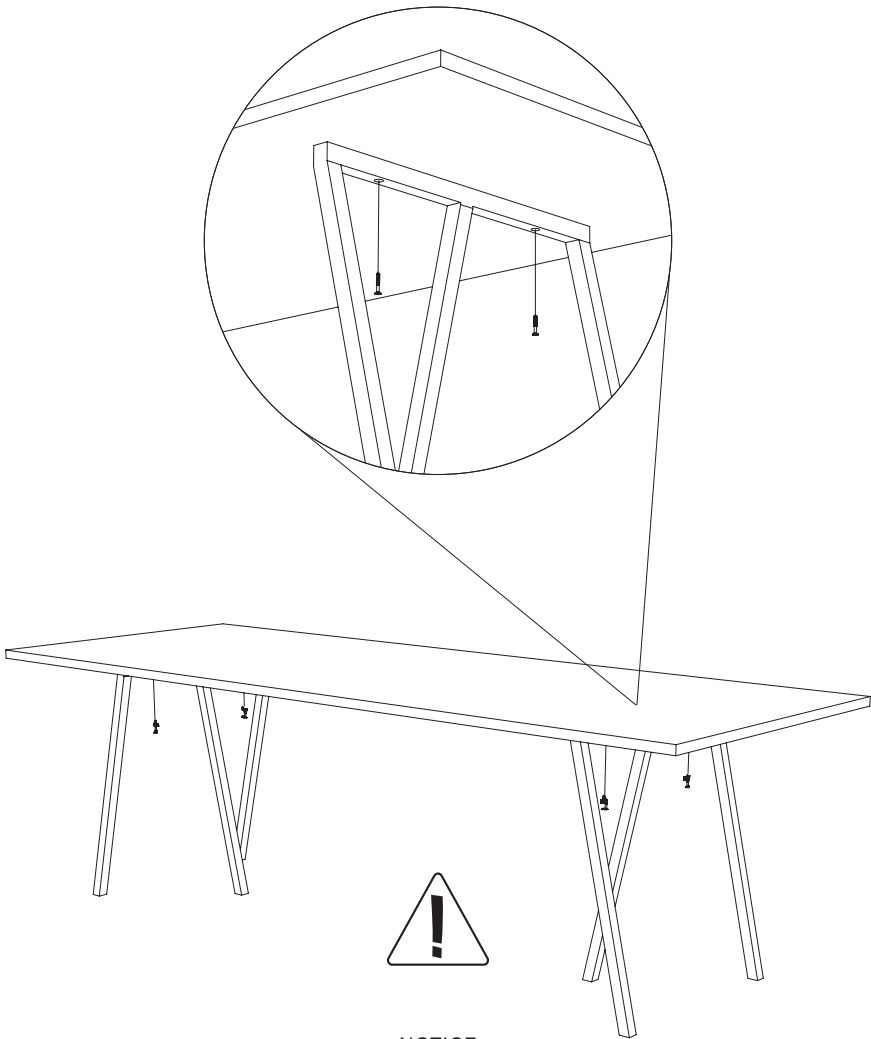

C Screw x4

- RECOMMENDED TRESTLE PLACEMENT -

1.

Place the tabletop **A** on the trestles according to the recommended trestle placement. Insert the **C** parts, screwing them through the trestles and into the tabletop.

NOTICE

Make sure the table is upright
when mounting the base.

2.

Done!
