Dog Blanket

Description:

The stylish Cielo Dog Blanket, with its modern block design, turns every place into your dog's favourite resting space. This modern dog blanket is the perfect place for your pooch to snuggle up, whether at home or on-the-go.

The Cielo Dog Blanket doubles as a dog travel bed for all your adventures, both indoor and outdoor. The water-repellent and lightfast fabric is suitable as a coverlet for your dog's existing bed, as well as a resting place on damp grass for trips to the park.

Aside from its good looks, the Cielo Dog Blanket has also been designed to perform well over time. The delicate polyacrylic material protects the blanket from staining and dampness, as water and dirt simply roll off the surface. The wool-like fabric is soft to the touch and adds extra comfort to your dog's favourite spot.

The Cielo Blanket pairs beautifully with our Stella Dog Bed collection in slate.
