

NONNA TABLE LAMP
ALU., BRUSHED/TEXTILE, SAND - EU - H24 CM
Designed by *Kroeyer-Saetter-Lassen*

Light in scale yet grounded in presence, the H24 Nonna Table Lamp pairs a subtly textured sand-coloured textile shade with a cool brushed aluminium base. Designed for narrow ledges and intimate spaces, it offers a quiet contrast between softness and structure. The compact silhouette brings a gentle luminosity to shelves, bedside tables and windowsills alike. With a discreet switch and matching cord, the lamp is lighting pared back to its most considered form.
